Chicagoland Children's Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – Advocate Children’s Hospital (Advocate) and NorthShore University HealthSystem (NorthShore) recently announced a strategic partnership, the Chicagoland Children’s Health Alliance, to expand wide-ranging pediatric care in Illinois.
Chicagoland Children’s Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – Eckenhoff Saunders teamed up with Advocate and NorthShore to convert a former two-story furniture store located in Edens Plaza in Wilmette, Illinois, into a new pediatric care center.
Chicagoland Children’s Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – Patients, staff, and visitors are greeted by a playfully designed crosswalk leading to a newly redesigned entrance and canopy.
Chicagoland Children’s Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – The 34,000 sf facility includes immediate care, physical and occupational therapy, outpatient lab, radiology, and approximately 30 universal exam rooms.
Chicagoland Children's Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – Clinical areas are grouped into four pods distinguished by color schemes centered around various nature settings.
Chicagoland Children’s Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – Each floor has a waiting area linked by an open staircase within a forest-like interior setting behind a new multi-story pleated curtain wall.
Chicagoland Children’s Health Alliance, Pediatric Outpatient Center, Wilmette, Illinois – Waiting areas include abstract tree elements, natural materials, and spaces of various scales for kids of all ages. The goal throughout the project was to create positive distractions that invite young patient’s intellectual curiosity.
